

## **North Lancs Report**

**26 / 27 January and 3/4 February 2008**

### **Venue: Blackpool Palatine**

Eight of our swimmers qualified for this demanding Level 2 meet;

Boys	Girls
Michael Robinson	Jenny Atkinson
James Eccles	Hannah Leeson
Jamie Leather	Rachel Muskett
Liam Roberts	
Hadley Price	

With the exception of Michael Robinson, who is now understandably concentrating on his coaching duties, all of our squad were certainly up for the challenge! ....28 PB's recorded....2 awards gained (top 3 placing) with several 4th positions..just missing out of a podium placing by fractions of a second! A special mention to James Eccles who recorded PB's in all 11 events entered...he also made 5 finals out of the heats, with one award gained...and also Jamie Leather and Rachel Muskett, who both achieved PB's in all of their events. Liam Roberts also recorded PB's in 4 out of 5 events entered and Hadley Price in 2 out of 3 events entered....a magnificent effort. Although Jenny Atkinson has now reduced her training time, she still managed to produce PB's in 2 of her events...well done! Hannah Leeson just missed out on a PB in her one event, 100m Backstroke.

All in all, this has been one of the most successful Level 2 meets I can remember in terms of PB times. Thanks to all of our squad for their tremendous effort and attitude and thanks to Steve Eccles as always for his valuable input and company on poolside.
